Calculator for apple ipad

We're giving away an Apple iPad 2, the tablet that doesn't need introduction. We assume you're already dying to learn what you need to do to participate, so here it goes: 1. Like our Facebook page; 2. Post a comment on this image. We're giving this away thanks to our partnership with RadioShack. If you want to make sure you get a deal, check out RadioShack's offers. They have great deals on the three main carriers. Here's information about the current promotions they offer: Until December 24th, Customers will receive a \$50 RadioShack gift card when they purchase an iPad2 from their local RadioShack. Customers can also receive a \$50 Prepaid Visa Card for refund in the mail when they use their RadioShack credit card on a purchase of \$399 or more. Sever with RadioShack's Trade & Save program by trading their original iPad 64GB 3G model per Up to \$250 off your iPad2 purchase. **Noting December 12th, the Giveaway contest is open to U.S. residents over the age of 18. In exactly one week (this would be December 19), we will randomly choose a lucky user and contact them via a private message on Facebook, so they can receive their prize. *Update 19 Dec 27 January 02 09* we have drawn the lucky winner and confirmed that they will receive the award - congratulations to John Hess. Stay tuned phoneArena.com for more gifts :) Gift Terms: By participating in this promotion, entrants agree to be bound by these terms and that Phone Arena's decision is final and binding on all matters related to this promotion. The sweepstakes is open only to U.S. residents 18 years of age or older, other than phonearena.com employees, their agencies or their families. Phone Arena reserves the right to substitute a prize of equal or greater value if this is necessary for reasons beyond its control. No cash alternatives to the prize will be offered. The winner will be notified by email, he or she has provided when registering. Phone Arena reserves the right to redraft the prize if the prize winner cannot be contacted within a reasonable period of time (which will be established at the Promoter's discretion). Phone Arena accepts no responsibility for any loss, damage, injury or disappointment suffered by any entrant resulting from participating in this sweepstakes or acceptance of the prize by the Entrant. Phone Arena reserves the right to modify, modify or close this Free Prize Sweepstakes without notice in the event of unforeseen circumstances, which make this inevitable.* This gift promotion is not linked to Facebook.**

SUBSCRIBE TO OUR NEWSLETTER! 7 Mar 2012 As part of its iPad event today, Apple announced the new That's right, there's no iPad 3, no iPad HD. Just the new iPad. Highlights include: Retina Display at 2024x1536. A5X chipset with four-core graphics. 5MP rear camera, IR filter, autofocus and white balance, face detection (essentially iPhone 4 camera with iPhone 4S software) HD 1080p Dictation video recording (not Siri, unfortunately) LTE LTE 72mbps networks, HSPA+ up to 42mbps 9 hours of 4G battery life! - 9.4 mm thick, weighing 1.4 lbs. - Wi-Fi iPad pricing: \$499 for 16GB, 32GB is \$599 and 64GB for \$699. - 4G LTE pricing for iPad: \$629, \$729 and \$829. New iPad available March 16. Pre-orders begin today! All built-in stock apps have been updated to take advantage of the new Retina display. Garage Band and iMovie updates. Updates to all iWork apps. Randy Ubillos, Chief Architect of Photo and Video apps, introduced the new iPhoto for iPad. iPhoto includes new gestures, new effects, multi-touch editing, and the ability to stream photos directly between devices. Lots of photo tools are coming in the new iPhoto app. The iPad 2 will now be on sale for \$399 for the 16GB model. Here are the [full specifications for the new iPad]/[Full Specifications for the new iPad], and here's the full press release Apple launches new iPad Pad Wi-Fi + 4G with built-in next generation 4G LTE has the most complete support for fast networks worldwide, including HSPA+ and DC-HSDPA, and now CDMA and GSM iPad users have the ability to roam easily internationally. The world-ready iPad offers incredible download and upload speeds so web pages load incredibly fast and email with large attachments can be easily sent and received. Personal Hotspot can be used to share the fast network connection on your iPad with up to 5 other devices via Wi-Fi, Bluetooth or USB**. With iOS 5.1, the latest update to the world's most advanced mobile operating system, the new iPad has a number of new features and enhancements, including: a redesigned camera app with video stabilization technology; the ability to delete photos from Photo Stream; support for dictation in English, French, German and Japanese; and Personal Access Point. iOS 5.1 also works seamlessly with iCloud®, an innovative set of free cloud services, including iTunes® cloud, Photo Stream and cloud documents, which works seamlessly with your iPhone®, iPad, iPod touch®, Mac® or PC to store your content automatically and wirelessly and push it to your devices. When content changes on one of your devices, the other devices update automatically. The new iPad also supports dictation, another amazing way to get things done just by using your voice. Instead of typing, tap the microphone icon on your keyboard, then say what you want to say and the new iPad listens. Tap Done and iPad converts your words to text. You can use dictation to write messages, take notes, search the web, and more. Dictation also works with third-party applications, what you can update your Facebook status, tweet or write Instagram subtitles. Apple also introduced the iPhoto® app, along with major updates to iMovie® and GarageBand®, completing its set of iLife® for iOS apps. iLife and the iWork®, Pages®, Keynote® and Numbers® apps have been updated to take advantage of the iPad's new Retina display. iPhoto includes revolutionary multi-touch features so you can use To sort through hundreds of photos and find your best shots, enhance and retouch your images using fingertip brushes and share stunning photo diaries with iCloud. iMovie now gives you the ability to create amazing Hollywood-style trailers while recording HD video, and GarageBand introduces Jam Session, an innovative and fun new feature that allows a group of friends to connect wirelessly to play instruments and record live music on their iOS devices. The iPad runs nearly all of the more than 585,000 apps available on the App Store™, including over 200,000 native iPad apps, from a wide range of categories, including books, games, businesses, news, sports, health, reference, and travel. The iTunes Store® puts the world's most popular online music, TV and movie store at your fingertips with a catalog of over 20 million songs, over 90,000 TV episodes and over 15,000 movies. The new iBooks® 2 app for iPad allows users to experience a whole new type of ebook that is dynamic, engaging, and truly interactive. iBooks created with Apple's new iBooks Author offer gorgeous full-screen eBooks with interactive animations, diagrams, photos, videos, unsalike navigation, and more. Prices and availability The new Wi-Fi models for iPad will be available in black or white on Friday, March 16 for a suggested retail price of \$499 (US) for the 16 GB model, \$599 (US) for the 32 GB model, and \$699 (US) for the 64 GB model. The iPad Wi-Fi + 4G for AT&T or Verizon will be available for a suggested retail price of \$629 (US) for the 16GB model, \$729 (US) for the 32GB model, and \$829 (US) for the 64GB model. The iPad will be sold in the U.S. through the Apple Store® (www.apple.com), Apple retail stores, and certain apple authorized resellers. The iPad will also be available in Australia, Canada, France, Germany, Hong Kong, Japan, Puerto Rico, Singapore, Switzerland, the United Kingdom and the U.S. Virgin Islands on Friday, March 16. Customers can start booking their new iPad today, and the amazing iPad 2 is now offered at a more affordable price of \$399 (USA) for the 16GB Wi-Fi model and only \$529 (US) for the 16GB Wi-Fi +3G. iOS 5.1 and iTunes 10.6 model are available today as free software updates. iPhoto, iMovie 1.3, and GarageBand 1.2 are available today for \$4.99 (US) each in the App Store (www.itunes.com/appstore). Keynote 1.6, Pages 1.6, and Numbers 1.6 are available today for \$9.99 (US) each from the App Store. Updates are available for free to existing customers. At the end of March, the iPad will be available in Austria, Belgium, Bulgaria, Czech Republic, Denmark, Greece, Hungary, Iceland, Ireland, Italy, Liechtenstein, Luxembourg, Macau, Mexico, Netherlands, New Zealand, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain and Sweden. Battery life depends on device settings, usage, and other factors. Actual results vary. Personal Hotspot requires a supporting data plan. Customers should check with their carrier for availability.
